EQUIPMENT HIRE

Rufus & Cooper, in partnership with local suppliers, offers for daily, weekend or weekly hire a wide variety of high-end photographic and film equipment. Our staff and contacts know the ins and outs of everything we have or can arrange. The gear is new or near new, and is meticulously serviced and maintained to the highest standards. Below is a list of items available for hire. If you require anything not on this list, please let us know and we'll happily source it for you.

General Terms & Conditions Of Use (Overview)

All equipment hires, unless otherwise agreed in writing by us, are for use solely within Rufus & Cooper's studio premises.

Equipment hire rates below are priced by day/weekend/week.

Hire periods are:

- Daily hire is for the full day of your studio booking, or from 8.30am until 5.30pm, unless otherwise agreed.
- Weekend hire is for Saturday through to Sunday for the full days of your weekend studio booking, and is charged at the rate of 1.5 days standard daily hire.
- Weekly hire is for Monday through to Friday for the full days of your weekly studio booking, and is charged at the rate of 4 days standard daily hire.

All equipment hires are subject to a loss damage waiver of an additional 10% of the total equipment hire fee. This damage waiver fee is non-deductible and non-refundable.

This loss damage waiver provides the hirer with cover for loss, theft and damage to items up to the value of \$2000. If loss, theft or damage is incurred to any items above this value, the hirer is liable for any insurance deductible paid by Rufus & Cooper to the value of \$500 per claim per item of equipment.

All items on this list are subject to availability. If you require items that are not on this list please inform us and we'll do our best to source them for you. Please also provide us with as much notice as possible to ensure everything you require for your booking is available.

All equipment hire prices are subject to GST.

A completed booking form / hire agreement is necessary to confirm your booking, so please get in touch with us to discuss your requirements and secure your booking. Equipment hire fees, unless otherwise agreed too, are to be paid in advance of the hire commencement date.

We will request your credit card details and a copy of the Australian drivers license or passport of the individual who signs the hire agreement. These will be kept securely on file. Any additional items requested for hire, or insurance deductibles relating to the hire will be charged accordingly.

Please refer to the last pages of this document for detailed standard terms and conditions of equipment hire.
